## September is Hunting and Fishing Month!!

Visit the refuge this month to learn more about various aspects of hunting and fishing.

### Duck Calling workshop

**Sunday, Sept. 19 2pm**

Join 2 of our volunteers who are avid duck hunters for this fun, and probably loud, workshop.

You will get a chance to learn 3 or 4 basic duck calls and thanks to a generous donation from

Gander Mountain all participants

will leave with their own duck call! *Pre-registration is appreciated - Space is Limited!*

### “Hunting for Wild Edibles” workshop

**Saturday, September 18 9am - 1pm**

One doesn't have to hunt animals to get a meal! Robin Kennedy will be sharing her edible plant expertise so that you too can find some wild “veggies” to eat. Bring a notebook and pencil, and expect to hike, gather and eat!

*Pre-registration is appreciated - space is limited!*

### Fish Decoy Carving workshop

**Sunday, September 12 1:00pm & 2:30pm**

Here is a great chance to try out your carving skills. Professional decoy carver and refuge volunteer, Jim Wicks, will lead you through the process of making a pile of wood chips on the floor that results in a fish decoy in your hand! *Space is limited to 10 participants per session so please pre-register!*

### Ice Fishing Bucket workshop

**Sunday, September 26 2pm**

It's a bucket, a chair and a bait holder all in one! Join us to make this practical bucket you won't want to ice fish without. *Bring your own 5 gallon bucket and please pre-register because supplies are limited.*

### Sunset Safari

**Tuesday, Sept. 21 6:30pm - 9pm**

**Friday, Oct. 1 6:30pm - 9pm**

Evening is a wonderful time to be on the Refuge and this is a great chance to tour a portion of the back-country with our staff. Meet at the Visitor Center at 6:15pm.
